TOKYO, Japan, July 30, 2019—Otsuka Foods Co., Ltd. (Head Office: Chuo Ward, Osaka; President: Atsumasa Makise) announced that it will start selling Bon Curry GRAN Yasai no Umami Tokekomu Vegetable Curry across Japan on August 26, 2019. Launched in 2018, the Bon Curry GRAN series is a rank above, lavishly made with plenty of carefully selected ingredients grown by nature. Perfect for those times when a bit of extravagance at home is in order.

The latest in this series, Bon Curry GRAN Yasai no Umami Tokekomu Vegetable Curry, is made with an original blend of curry powders, enticingly aromatic cumin and other spices, and an especially filling texture from Japan-grown zucchini, carrots, chick peas and red kidney beans. Made without artificial preservatives, coloring, or seasonings, the curry can be prepared in a microwave while still in the box.
