Otsuka Foods to Revise Prices of Some Products

New Prices to Take Effect with Deliveries as of January 1, 2027

TOKYO, Japan, September 25, 2026—Otsuka Foods Co., Ltd. (Head Office: Chuo Ward, Osaka; President: Goro Ikeuchi) announced today that it will revise the prices of some products for deliveries starting January 1, 2027.

Otsuka Foods has been focused on improving productivity and streamlining operations as part of its efforts to streamline management in response to the recent price increases of raw materials, packaging materials, and other related costs. However, amid the increasingly severe cost environment in which the company operates, it has become difficult to maintain the current price structure. Therefore, in order to ensure a continued stable supply of high-quality products to our customers, the decision has been made to revise the prices of the following products.

1. Price revision date: From deliveries on January 1, 2027
2. Target products: 41 retort-pouch items, including Bon Curry and My Size products
3. Details of revision: Manufacturer's suggested retail prices to be increased by 3.3% to 13.7%
